

Good Morning Aronimink Community:

At this time, we are calling for an early dismissal at Aronimink Elementary School. We will begin dismissal at 10:30 a.m. this morning. We are making this decision out of an abundance of caution. Unfortunately, a pipe was inadvertently cut by contractors in the basement of the school. When the pipe was inadvertently cut, we noticed a strong and distinctive smell of oil in the basement area and in some areas of the first floor. We have decided to evacuate students and staff to the front field at Aronimink Elementary School. We will be providing asynchronous work for students to complete at home today. We apologize for any inconvenience this may cause your families. The health, safety and welfare of the students and staff of Aronimink Elementary School is our highest priority. We will provide an update this afternoon on our plans for school at Aronimink for tomorrow March 8th, 2023.

Again, we apologize for any inconvenience, and we thank you for your support.

Dr. Greg Manfre

Director of Elementary Education

Upper Darby School District
