

UPPER DARBY HIGH SCHOOL PRESCHOOL LAB PROGRAM OPEN FOR ENROLLMENT!

Preschool Class Fall 2022 9:45am – 12:15pm

**"WHERE CHILDREN LEARN THROUGH
FUN AND CREATIVITY"**

Under the direction of Upper Darby Teachers, 11th and 12th grade high school students enrolled in Preschool Practicum, plan and present lessons appropriate for preschool-aged children. Lessons include a theme with circle-time activities, storytime, fingerplays, songs, counting and letter recognition, freeplay, and four field trips per year. The program is known for providing quality, one-on-one guidance to preschool children.

Classes will typically run three days a week from mid September through May, with a few weeks off over winter break. The cost is \$9 a day, paid monthly prior to the start of each month.

If you are interested in preregistering for the UDHS Preschool Practicum 2022-2023 school year, please read the [Preschool Information Sheet](#) and complete this [Google Form](#).
