RE: Borough of Clifton Heights – Athletic Fields

Dear Ms. Mitchell,

I am responding to your letter requesting a meeting with all of Borough Council. Because of the School Board's stated position that it will be pursuing construction within the Borough, it is likely that the Borough Council will be reviewing some or all of the School District's application(s), consequently the Council is unable to meet with you.

Thank you.

Sincerely,

Ronald Berry
President of Borough Council
