

February 18, 2020

Hi Families!

I hope that you and your family had a great, long weekend!

1. Chapter 7 in Math

In chapter 7 of math, students are learning how to count money, and will eventually learn how to tell time. Over the years, students have struggled with counting money. A great way to help them at home is with a game called "If You Can Count it, You Can Keep it." This works by placing a pile of coins in front of your child and telling them, if they can count it correctly, they can keep it. This is an **excellent** incentive to learn how to count money! Let me know if you try it out!

2. Reading Log

Please make sure your child is reading 15 minutes every night Monday-Thursday and is recording it in their reading log! I checked logs last week, and only 5 children read their required minutes in January.

3. Important Dates

Friday, February 21st – Movie Night at Highland Park – 6 PM

Wednesday, March 4th – 12:30 Dismissal

Here are our specials this week...

Monday
No School

Tuesday
B-Day (**Gym**)

Wednesday
C-Day (**Library**)

Thursday
D-Day (**Art**)

Friday
A-Day (**Music**)

If you have any questions, please feel free to contact me!

All my best,

Miss King
