The Board believes that the preparation of each school director for the performance of duties is essential to the effectiveness of the Board's functioning. The Board shall encourage each new school director to understand the functions of the Board, acquire knowledge of matters related to the operation of the schools, and review Board procedures and policies.

School Director Education/Training

Each new school director is strongly encouraged to attend new school director training offered by the Pennsylvania School Boards Association (PSBA).

The Board places a high priority on the importance of a planned and continuing program of inservice education and training for its members. The purpose of the planned program shall be to enhance the quality and effectiveness of the Board's governance and leadership.

The Board, in conjunction with the Superintendent, shall plan specific inservice education programs and activities designed to assist Board members in their efforts to improve their skills as policy-making leaders; expand their knowledge about issues, programs, and initiatives affecting the district's educational programs and student achievement; and deepen their insights into the nature of leadership, governance and community engagement.

The school community shall be kept informed about the Board's continuing inservice education and training and the anticipated short and long-term benefits to the district and its schools.[24]

The Board shall annually budget funds to support its planned program of inservice education and training.

The Board establishes the following activities as the basis for its planned program of inservice education and training:

1. Participation in School Board conferences, workshops and conventions.
2. District-sponsored inservice education and training programs designed to meet Board needs.
3. Subscriptions to publications addressed to Board members' concerns.
4. Maintenance of resources and reference materials accessible to Board members.

Conference Attendance

In keeping with its stated priority on the importance of continuing inservice education and training for its members, the Board encourages the participation of all members at appropriate School Board conferences, workshops, and conventions. In order to control both the investment of time and expenditure of funds necessary to implement this planned program, the Board establishes the following guidelines:[22][25].

1. The Board shall identify annually the issues, objectives, and cost benefits that can be ascribed to participation by Board members in conferences, workshops and conventions.
2. The Superintendent shall inform Board members, in a timely manner, of upcoming conferences, workshops and conventions.
3. The Board shall periodically decide which meetings appear to offer the most direct and indirect benefits to the district.
4. Each school director shall receive Board approval prior to attending a conference, workshop or convention at Board expense.
5. Funds for conference attendance shall be budgeted on an annual basis.
6. When a conference, workshop or convention is not attended by the full Board, those who do participate shall share information, recommendations and materials acquired at the meeting that will be beneficial to the school district within two (2) regular meetings of the Board.
7. Reimbursement to Board members for their travel expenses shall be in accordance with Board procedures and policy.[26]
8. The requirements regarding reimbursement for Board members for travel expenses shall be strictly enforced, and no payment shall be made until receipts for reimbursable expenses are submitted to the Chief Financial Officer or designee.
9. Reimbursement shall be limited to actual expenses incurred, and shall not include or be construed to include compensation to individual Board members.[7]
